

## Get Hot Suspect in Chicago Mystery

### To Be Quizzed In Murders of 3 Schoolboys

Ex-Convict Arrested In California by FBI as Fugitive

OAKLAND, Calif. (UP)—A 42-year-old ex-convict arrested on charges of molesting three young girls, was described today as "the hottest suspect yet" in the slaying of three Chicago schoolboys last October.

The ex-convict, Norvel Degrove, was arrested by the FBI Friday in a San Leandro used car lot.

The FBI said Degrove had been the object of a widespread search throughout the Midwest last May for questioning in the slaying of Robert Peterson, 13, John Schuessler, 13, and his brother, Anton, 11. The boys' nude bodies were found sprawled in a ditch in a Chicago forest preserve.

His arrest here, however, was on a warrant charging him with unlawful flight to avoid prosecution for the rape of an 8-year-old girl at Elmwood Park, Ill., Jan. 24, and the kidnap and molestation of another 8-year-old girl in Angola, Ind., May 11.

The FBI said Degrove was also wanted on a warrant charging he molested a 6-year-old girl at Park Ridge, Ill., on June 10.

Chicago police, notified of Degrove's arrest, called him "the hottest suspect of all the hundreds we have investigated." Chicago detectives were sent here to question him.

#### Employment Checks Out

The FBI said Degrove's employment as a nurseryman here and in Chicago checked out with one of the major clues in the Chicago slayings.

Traces of chloralhydrin, an insecticide used by gardeners, were found in the scalp of the Peterson boy.

Degrove was arrested at the used car lot where he had gone to complain about a car purchased two weeks ago. Following his arrest, he was arraigned on the unlawful flight warrant before U. S. Commissioner Cameron Wolfe.

### Limerick to Be Open in Poplar St. Quarters Monday

Limerick Finance is moving into new offices at 22 West Poplar street this week-end, according to Bill Brown, manager.

"By Monday morning at nine o'clock we will be completely settled in our newly remodeled offices," continued Mr. Brown. Moving began after the close of business today and will be completed by the start of business Monday morning.

Remodeling and redecoration of the new offices has included installation of a new front of Beauty Stone masonry, new ceiling and complete redecoration. The building at 22 West Poplar street is owned by Mrs. Guy Patterson and son, Guy K. Patterson.

An open house is planned for next Saturday, Sept. 1, at the new location. Mr. Brown will announce further details next week.

### Tate Baby, Ill Since Birth, Taken by Death

Judy Marie Tate, 14-month-old daughter of Mr. and Mrs. Felix A. Tate who reside north of Galatia in Hamilton county, died Friday evening following an illness suffered since birth.

Besides her parents, Ralph and Margie Jackson Tate, the baby leaves a brother, Ralph Finley Tate, and grandparents, Mr. and Mrs. Ralph Tate, Galatia RFD 3, and Mr. and Mrs. Hubert Jackson of Harrisburg.

Graveside services will be held today at 3 p. m. at the Jackson-Tate cemetery north of Galatia. Rev. Roy Hudson, pastor of the Galatia Methodist church, will officiate.

ALGONQUIN, Ill. (UP)—Frank M. Bourke, 45, Chicago, was killed in an auto accident near Algonquin Friday.

### New Student Week at SIU Sept. 19-24 Will Be Filled with Activities for About 2,200

CARBONDALE, Ill., Aug. 25—Southern Illinois University's Office of Student Affairs is preparing for what may be the school's biggest crop of new students—between 2,100 and 2,200 of them—with a week-long program intended to ground them in every aspect of college life.

During New Student Week, Sept. 19-24, the campus newcomers will be exposed to tests, counseling sessions, orientation meetings, tours, teas, parties and picnics under the supervision of 87 upper-classmen serving as Student Leaders. New students will be assigned to groups of 50, remaining with the group throughout the week.

The week begins with the traditional Watermelon Feast at the home of SIU President Delyte W. Morris. Other features include a style show for both men and women students, a pep rally before SIU's first home football game, a night contest Sept. 22 against Illinois Wesleyan, a Parent's Picnic Sunday, Sept. 23, and three special "How to Study" sessions on the 24th.

In addition to physical and guidance examinations, all new students this year will be given

speech and hearing tests at the SIU Speech and Hearing Clinic. During the sessions on study methods, faculty members will discuss profitable study procedures for mathematics, social studies and science courses.

Band tryouts for new students will be held Monday, Sept. 24. Tryouts for the freshman Pep Band will be conducted Thursday night, Sept. 20.

Miss Betty Greenleaf, co-ordinator for New Student Week, said all new incoming students except transfer students who have taken guidance tests at another school must attend the general opening meeting at 9 a. m. Wednesday (Sept. 19).

President Morris will formally address all new students at the first Freshman Convocation Sept. 27.

Upperclassmen acting as Student Leaders will be familiarized with their duties during a workshop program Sept. 17-19. Student leaders and steering committee members chosen on the basis of activities and scholastic averages, include Dick Baldwin of Harrisburg, Carole Thaxton of Equality and Garrison Newsom of Shawneetown.

### Reynolds Rules Against Cairo Club Owners

Upholds Mayor and Chief of Police in Actions Against Place

CAIRO, Ill. (UP)—An injunction asked by the Cairo Turf Club Inc. against Mayor Paul Bahr and Chief of Police Frank Clifford was denied yesterday by Circuit Judge C. Ross Reynolds.

The suit, filed Tuesday, asked that the city officials be enjoined from arresting or interfering with members of the corporation and its employees pending an appeal to the Illinois Liquor Control Commission.

Bahr, as Cairo liquor control commissioner, suspended the Turf Club's retail liquor license for 30 days on June 30 on charges the club had sold liquor to two Sikeston, Mo., youths.

The club appealed the suspension, but the state commission confirmed the mayor's findings and Bahr reinvented the suspension this month.

But the Turf Club refused to surrender its license or stay closed on grounds that it was appealing for a rehearing of the case by the state commission.

Since then, the city has been serving warrants daily against the club charging the selling of liquor without a license.

Clifford said the club voluntarily locked its doors this morning after the injunction was denied. He said he also has been notified that the state commission has denied the club's appeal for a rehearing.

Clifford said he "can't remember exactly" the number of warrants served on the club. "They were numerous," he said.

### Cannon Reminds That Taxes are Delinquent After September 1

County Treasurer Maynard Cannon stated today that tax collections in Saline county have been exceptionally good and that the great majority of taxpayers have paid their taxes.

He called attention, however, to the fact that all taxes are now due and after Sept. 1 those not paid will become delinquent.

He is required by law to publish all delinquent taxes by Oct. 1 and a tax sale will be held Oct. 15 to sell all property on which taxes remain unpaid so that the county may collect taxes thereon.

### Test New Hot Spot: J. B. Duty No. 1 in Brushy Township

Taken from the Robertson's Tri-State Oil Report

Hot spot in Saline County is Lauderdale's J. B. Duty No. 1, 358 feet north and 984 feet west of SEc SW NW, 28-8s-5e (Brushy), a wildcat located near Harco. Aux Vases lime is to be the production tested. After a drill stem test at 2929-43 gassed in half a minute and recovered 1,750 feet of clean oil with a pressure of 1,310 pounds.

Four wells completed were dry and abandoned as follows:

C. W. Brehm's G. R. Johnson "B" No. 1, SWc NW SW, 20-7s-5e (Tate); Omer Minton's Harris-Murphy No. 1, NEc SW NW, 4-8s-5e (Galatia); Olen Sharpe's Castle-ton No. 1, SEc NE NW, 16-8s-5e (Galatia); L. J. Loyd's N. A. Herrmann Estate No. 1, SEc SE NW, 7-10s-7e (Mountain).

Lobree and Lobree got a small well at their Harris Heirs No. 1, NEc SE SW, 15-8s-5e (Galatia), which made an oil well in the Aux Vases lime and is flowing 35 barrels every two or three days. There is no accurate initial production.

### Dr. Alfred Kinsey, The Expert, Dies in Bloomington, Ind.

BLOOMINGTON, Ind. (UP)—Dr. Alfred C. Kinsey, 62, a university professor who became perhaps the world's foremost authority on human sexual behavior, died today in Bloomington Hospital.

Kinsey, who gained fame as the author of two volumes on the personal and private habits of men and women, died at 7 a. m. CST, hospital spokesmen said.

He was taken to the hospital three days ago suffering from a heart condition and pneumonia. For several months, Kinsey had been in failing health and spent increasingly less time in his office at the Institute for Sex Research on the Indiana University campus.

Kinsey's name became a household word in 1948 when his first world-famous "Kinsey Report" on sex behavior of the human male was published as a best-selling book. A second volume, on female sex behavior, was published in 1953. It made him even more famous than the first.

### Eight Treated for Crash Injuries Near Carrier Mills

Eight persons received treatment at local hospitals last night as the result of a two-car accident south of Carrier Mills about 11:45 p. m. Friday.

State Patrolman Richard Percy who investigated the wreck stated an automobile driven by Clyde Cook of Carrier Mills was proceeding north and stopped for oncoming traffic in a repair zone. The car was hit in the rear by a car driven by Harold Parkinson of Pontiac, Mich., it was reported.

Parkinson and his passenger, Logan R. Stevers, were taken to the Lightner hospital for treatment and held over night.

In Cook's automobile, a station wagon, were his wife, Lela, two sons, Justin and Clifford, a daughter, Della Mae, and Rose Marie Martin and Arthur Evans. All except Mr. Cook were injured and brought to the Harrisburg hospital for treatment.

Both automobiles were extensively damaged, Percy said.

### Scott Asks for GOP Congress, Blasts Record of Cong. Gray

Samuel Jack Scott, Republican candidate for congress from the Illinois 25th district, struck at the record of his opponent, Cong. Kenneth J. Gray, and asked the voters to give President Eisenhower a Republican congress in the major Republican Night address last night at the Stonefort reunion.

The Metropolis attorney, an FBI man for six years and later a representative of the state department in the Middle East, declared that he had obtained a history of Gray's legislation in congress and that 19 bills he introduced were shown.

"Of these 19 bills introduced by your congressman," Scott said, "it is revealed that none was passed. It has been revealed that the congressman cannot pull economic rabbits out of a political hat."

On Democrat Night, the previous evening, Gray had listed his accomplishments as a congressman. Scott, who predicted an Eisen-

hower victory in November, asked the people to consider most carefully the necessity of a Republican congress, which will be elected this fall, "so that there will be teamwork in Washington the next four years."

After praising President Eisenhower for his administration "based on honesty, dignity, integrity and high moral values," he said the administration is giving the country the best government possible at the least possible cost.

He took up the following issues as follows:

Taxes. "The Eisenhower administration has excelled all other administrations in tax relief to the people."

Small Business. "The record shows it has prospered under Eisenhower. There are fewer business failures and there is a net

MISS ELDORADO FALL FESTIVAL—A highlight of the Fall Festival held each year at Eldorado is the beauty pageant, which was staged Friday night. Miss Pat Elder was crowned Queen of the Fall Festival from a group of nineteen candidates. Queen Pat, center, is being crowned by Mrs. Stella Anderson, president of the Junior Woman's club, sponsoring organization of the beauty show. Miss Elder received a large loving cup, a bouquet of roses and a wrist watch. Myra Jane Cox, left, winner of third place, received a loving cup and luggage and at right is Judy Lanham, second place winner, who received a loving cup and pearl necklace. Prizes are awarded by Eldorado's three jewelry stores—Hobbs, Redfern's and Putnam's. Miss Elder, a graduate of the Eldorado high school with the class of 1956, is the daughter of Mr. and Mrs. Harry G. Elder, is 17 years old and will attend Southern Illinois university on a four-year scholarship. Mrs. Pam Beck and Tommy Craggs presided at the organ during the show. Bill Scribner was master of ceremonies and the judges were Robert Patton, Evansville; Charley Greeney, Johnston City; Mrs. William Boyne, Carbondale, Southern Illinois Regional (Daily Register Staff Photo)

### Crab Orchard School District Has Its Woes

Four Board Members Fired, Superintendent Herdon Resigns

MARION, Ill. (UP)—Williamson County School Superintendent Russell Emery planned to meet this afternoon with three members of the board of education of Crab Orchard School District 3 to select four members of the board and to name a new superintendent.

Emery said that he dismissed four members of the board yesterday and that the four will be named to replace them. An effort will be made to secure a superintendent to replace C. E. Herdon of Mayfield, Ky., who was hired Aug. 4 to replace Ernest Arms, twice discharged head of the district, but who resigned Monday after saying he could not assume his duties without a board to instruct him.

The county superintendent said he received permission yesterday morning from the Office of Public Instruction at Springfield for his action in dismissing the president of the school board, Richard Rebecca of Pittsburg; the secretary, Tennyson Tanner of Creal Springs; and Carl Tanner and Loren Nolen, both of Stonefort in Williamson county. They were charged with wilful failure to perform their official duties.

To meet with Emery this afternoon are board members Theodore Parks of Creal Springs Route 1, Otto Legerst of Marion Route 3 and Walter Stahlhut of Marion Route 2.

Emery said he was working to get the district's 500 children into their classrooms on time. The children have not been registered, have not been given an opening date, have no schedules for bus transportation, and have no hot lunch plans besides having no superintendent.

### Music Instructor Post Still Open At Raleigh School

The Raleigh grade school will open Tuesday, Sept. 4 and will be in session the entire day, Cecil Fulkerson, principal, has announced.

On opening day buses will run on regular schedule and the cafeteria will be in operation to serve the noon meal.

During the morning pupils will register and texts will be distributed. The afternoon will be devoted to class schedules, announcements and other opening day activities, so that class room work can start the following day.

Book rentals, which includes texts and work books, will be \$4 for grades one through four and \$6 for grades five through eight.

Mr. Fulkerson will teach the seventh and eighth grades. Roswell Sisney the fifth and sixth. Mable Leonard the third and fourth and the first two grades will be taught by Edith Cain. All were on the faculty last year.

Other employees of the school are Elizabeth Rodgers and Mrs. Casper Chaffin, cafeteria; Arnold Odle, custodian; and Mr. Odle and Sam Harris, the bus drivers. With the opening of school only a few days away there is still one vacancy on the teaching staff Mr. Fulkerson revealed. The school does not have a music instructor and anyone qualified to fill the position may contact Mr. Fulkerson at the school.

### Equality Acts For Sufficient Water Supply

Install Pumps at Schools; to Vote on Improvement Sept. 8

Temporary measures to overcome the critical water shortage in Equality have been completed with the installation of pumps to assure a sufficient water supply for the schools. And additions to the system to insure permanent relief are being planned.

The water situation in Equality has been verging on the critical stage for the past many months and reached the point this summer that it was necessary to shut off the water from the system for several days to allow the storage tank to fill and build up pressure.

The village water system, built about five years ago, got its water from two deep wells located a short distance east of the village limits. One well now is not producing any water and the other pumps from 8 to 14 gallons per minute, according to reports.

To assure the schools of an adequate supply of water, pumps have been installed at both the high school and grade school, where there is a cistern and well respectively. This water is used for sanitary purposes. Drinking water is hauled in by truck and pumped into the drinking fountains.

The voters of Equality will go to the polls Saturday, Sept. 8, and cast their ballots on the proposition to issue \$11,000 in general obligation bonds. If the proposition carries, then the bonding company that financed the original water

### Lewis Rites Sunday At Equality Church

Services for Mrs. Ted (Gussie) Lewis, former resident of Equality who died early Thursday in a Washington, D. C., hospital, will be held Sunday at 2 p. m. at the Equality Methodist church. The pastor, Rev. Frank Pierce, will officiate and burial will be in the Elmwood cemetery. The body lies in state at the Eldorado funeral home.

Mrs. Lewis was a sister of Mrs. Earl Brannon of Harrisburg.

### Confesses Did Not Take Child To Own Home

Police Stationed at Cell to Keep Him from Committing Suicide

MINEOLA, N. Y. (UP)—Nassau County police questioned today whether a "friend" helped kidnaper Angelo John LaMarca hide Peter Weinberger the night before the infant died abandoned in a tangle of honeysuckle and brambles.

Stuyvesant Pinnell, chief of Nassau County detectives, indicated that police were not sure about LaMarca's confessed witting or unwitting Brooklyn accomplice.

"It hasn't been definitely established whether or not there was an accomplice," Pinnell said.

"Just because he (LaMarca) spent the night of July 4 in Brooklyn does not prove anything."

#### Didn't Take Baby Home

LaMarca had confessed that he did not take the infant to his home in Plainview, N. Y., but had left Peter at a home in Brooklyn and picked him up the next morning.

Police said identity of the "friend" in Brooklyn mentioned by LaMarca is unknown and the whereabouts unknown.

Domenica, LaMarca's 31-year-old wife, had asked her husband for information on who his friend in Brooklyn was but learned nothing, police said. Mrs. LaMarca has been cleared of any connection with the kidnapping.

LaMarca, the bushy-haired, "loving father" to his own two children, was held without bail for a hearing next Friday on a kidnapping charge.

A policeman was stationed in LaMarca's cell to keep him from committing suicide.

An FBI agent whose eye was caught by the glint of a safety pin Friday found the pitiful remains of the 33-day-old infant who was stolen from his baby carriage last July 4.

#### Pressed for Money

LaMarca, 31, who took the baby in an attempt to collect \$2,000 ransom because he was frantic over debts, had abandoned the child July 5 in scrub woods about five miles from the Westbury, N. Y., home of Mr. and Mrs. Morris Weinberger.

He said he placed the child "gently" on rain-soaked ground about 150 feet from a main traffic artery into New York City after he was frightened away from a ransom rendezvous.

The swarthy mechanic and former bootlegger confessed the kidnapping which had shocked the nation only a few hours after his dramatic arrest by FBI agents on Thursday.

The FBI had cracked the case by comparing the writing on the ransom note signed "your baby sitter" with some 2,000,000 handwriting samples in public records. "Quirks" in the writing, both "habitual and unavoidable," betrayed LaMarca in what police called a "two-million-to-one shot which paid off."

### Agin Funeral to Be Sunday Afternoon

CASUALTY LOSS —  
SETTLEMENT WITH  
INSURANCE COMPANY

Suppose an income taxpayer suf-  
fers a fire loss that is only par-  
tially covered by insurance, and  
suppose his insurance company  
contests the amount of loss.

The question arises, will he be  
safe in accepting a settlement of  
anything less than the face amount  
of the policy and if he does accept  
less, is he jeopardizing his right  
to take a casualty deduction for  
the amount of the loss that exceeds  
the insurance settlement when he  
prepares his income tax return?

A recent case in the Tax Court  
illustrates this point exactly. The  
Hollingtons had recently purchased  
a \$65,000.00 home which was dam-  
aged by fire. They had a \$30,000.00  
insurance policy which would have  
covered most of the repairs, but  
the insurance company objected to  
certain items and refused to pay  
the full amount but did offer to  
pay \$23,296.00.

The Hollingtons settled on this  
basis and later on their income tax  
return took a casualty deduction  
for the difference between \$23,296.00  
and their \$30,000.00 loss.

This deduction was denied by the  
Department of Internal Revenue,  
and the Commissioner argued that  
since the settlement was for less  
than the amount of coverage, it was  
"indicative of the actual  
amount of loss".

The Tax Court said that "while  
such a settlement may be given  
consideration, it is not necessarily  
conclusive", and allowed the tax-  
payer 2/3 of his claimed deduc-  
tion.

**WHAT TO DO?**

Think before settling with an in-  
surance company in the hope of  
partially recouping the difference  
on your income tax return; but,  
if you do settle in such a manner,  
keep conclusive proof of the  
amount of your loss and be pre-  
pared to show good reason for ac-  
cepting the lesser settlement.

## Ag Dept. Sees Big Wheat Drop Due to Controls

WASHINGTON AP—The Agricul-  
ture Department predicts that crop  
controls backed up by the new soil  
bank will cause a "substantial re-  
duction" in the nation's huge wheat  
supply in the marketing year start-  
ing next July 1.

Economists writing in the de-  
partment's publication "The Wheat  
Situation" estimated the 1957 wheat  
crop at about 700 million bushels,  
far off from the estimated 1956  
production of 939 million bushels.

They forecast consumption in  
1957-58 of 951 million bushels—610  
million bushels for domestic use  
and 341 million bushels for export  
—leaving a deficit of about 250  
million bushels.

This would be made up with  
wheat from the billion-plus bushels  
of surplus piled up in storage bins,  
most of it government-owned. It  
would be the first reduction in the  
wheat surplus since it began to  
climb from the 1952 carryover of  
256 million bushels.

The estimated 700 million bushels  
of 1957 wheat would be achieved  
under the department's goal of  
taking 12 to 15 million acres usual-  
ly devoted to wheat out of produc-  
tion and putting it in the soil bank  
acreage reserve. If the goal is  
met it would mean a planted acre-  
age of 40 to 43 million acres instead  
of the national allotment of 55 mil-  
lion acres.

The wheat carryover on July 1  
was 1,030,000,000 bushels, only 4-  
million bushels above the carry-  
over of a year ago. With the 1956  
crop estimated to about equal ex-  
pected domestic use and exports,  
stocks next July 1 may continue  
about unchanged.

But quotas, a form of crop con-  
trols, and a high soil bank deposit  
are expected to cut the supply  
substantially after the current  
marketing year.

The supply of wheat for the  
1956-57 marketing year was esti-  
mated at 1,974,000,000 bushels, a  
new all-time high. This includes  
the July 1 carryover, the current  
crop estimated at 939,000,000 bush-  
els and imports of about 5,000,000  
bushels. Consumption of about  
952,000,000 bushels in 1956-57 would  
leave a carryover next July equal  
to that of this year.

## Yearling Ewes From Montana

A flock of yearling ewes was  
recently shipped from the moun-  
tains of Montana to the slopes of  
southern Illinois. The Station  
bought 150 head of these well-  
boned, Hampshire whiteface cross-  
es to use in its pasture and for-  
age research. These yearlings are  
now being bred to Suffolk rams.

Jack Lewis, sheep researcher,  
doesn't claim any advantage for  
these crossbreds over the straight  
western whitefaces. He suggests,  
however, that, whatever you buy,  
you look for deep-bodied, well-  
boned, young ewes that are cap-  
able of raising six to seven trouble-  
free lamb crops.

**ONE-MAN SCRUB TEAM**—Wayne Marsh, not the happiest  
chap in the world, works up a good lather as he scrubs his Hamp-

## Tests Made on Soil Applications Alone, in Groups

In the past few weeks visitors  
at the University of Illinois  
Brownstown Experiment Field es-  
tablished in 1940 had an opportu-  
nity to see the value of crop rota-  
tion and soil treatment with min-  
erals and other good farm man-  
agement practices.

The fourth four-year rotation cy-  
cle of corn, soybeans, wheat and  
mixed hay was just completed.  
In these experiments on a Ciske  
silt loam, limestone, phosphate,  
potash and nitrogen were used  
alone and in combination with the  
other three elements.

The applications of limestone,  
phosphate and potash were based  
on soil tests and previous field ex-  
periments, rather than on the for-  
mer alone, while ammonium ni-  
trate was used at the rate of 125  
lbs. per acre on wheat and 250 lbs.  
per acre on corn.

The best results were obtained  
by using the materials in combina-  
tion with the other three elements  
as shown by the following table:

GROSS RETURN PER DOLLAR SPENT FOR MINERALS	
Material Used Alone	In Comb.
Limestone	\$9.33 \$14.17
Superphosphate	2.56 6.16
Nitrogen	0.51 1.47
Potash	Loss 4.40

It is significant to note that ni-  
trogen returned the least per dol-  
lar of expenditure when used un-  
der these favorable conditions, al-  
though farm operators observe the  
quickest crop response to this min-  
eral. Limestone, which is the  
cheapest of these plant foods, re-  
turned the most per dollar spent  
when applied either alone or in  
combination with the other ele-  
ments. Crop response to this im-  
portant product, which supplies  
calcium, magnesium and other  
minor elements to the soils and  
crops, is relatively slow as com-  
pared to the other elements and  
hence the reason why farmers  
put off using it rather than putting  
it on.

Experimental data of this na-  
ture based on local conditions, is  
available at almost every agricul-  
tural college, experiment station  
and county agent's office in the  
humid area of the nation. Farm-  
ers should consult these authori-  
ties to learn how it affects their  
farming operations — yields and  
profits — and then visit the county  
ASC office to find out how the De-  
partment of Agriculture's Con-  
servation Programs can improve their  
farms.

## Control That Pest Control

"Let's get out of the house, Pa.  
Ma just bought another aerosol  
bomb."

Day in and day out, thousands  
of housewives blast family, friends  
and felines out of their homes with  
aerosol bombs. Poor Mrs. House-  
wife! She's still living under the  
delusion that the aerosol bomb is  
the best cure for every type of  
household pest that sticks its head  
out of the wall.

At the sight of the first bug, out  
she goes and in she comes with the  
aerosol bomb, and life becomes  
miserable for everyone but the  
bug, who she finds, isn't bothered  
by the bomb at all. So, what does  
Mrs. Housewife do but go out and  
buy another bomb.

Dr. Willis N. Bruce, associate  
entomologist with the Illinois Na-  
tural History Survey, blames situ-  
ations like this on the fact that  
purchasers of household pest con-  
trols fail to read labels. Labels list  
ingredients and tell which pests  
the bomb will control. Bruce says  
aerosols are generally best for fly-  
ing insects.

Heading labels will not only  
save Mrs. Housewife money and  
rid her of the pests, but will also  
keep Dad from bellowing, "Oh,  
no! Not another aerosol bomb!"

## Extension Council Named For Saline County

This council has been appointed  
by the Dean of the University of  
Illinois Agricultural College to as-  
sume responsibility for develop-  
ment and direction of an educa-  
tional program for agriculture  
within the county.

The program of work will be  
outlined by the council which  
meets the needs of rural people in  
securing information to assist in  
efficient production of farm pro-  
ducts. It also will consider market-  
ing problems as well as assist in  
bringing such information to pro-  
mote better living conditions gen-  
erally. General agricultural in-  
formation related to farming busi-  
ness will be considered.

This council will assist the ex-  
tension service working through  
the Farm Adviser's office in carry-  
ing out a program.

Local people should know the  
county problems. When all ideas  
are combined and studied to give  
a more effective program, it  
should strengthen the county work  
in agriculture.

The Farm Adviser will assist  
this committee in a study of prob-  
lems and make suggestions for  
consideration of basic needs to be  
considered.

Adult education among farmers  
on soils and crops, livestock pro-  
duction, marketing of grain and  
animal products will be consid-  
ered.

Youth work, such as 4-H club  
program, expanded to reach as  
many farm boys and girls as pos-  
sible will be emphasized.

It is the belief of Dean Howard  
that it is very important that lo-  
cal people should have the oppor-  
tunity to express opinions on the  
program best suited to their needs  
and help build the program they  
want in the county.

The members of the Agricul-  
tural Extension Council for Saline  
county are: John C. Small, Galatia;  
Eugene Lamkin, Harrisburg; R. L.  
Morris, Galatia; W. H. Robinson,  
Harrisburg; Ward Baker, Harris-  
burg; Ellis Fox, Harrisburg; C.  
Ersel Vinyard, Herod; Orval Grib-  
ble, Harrisburg; A. J. Tison, Eldo-  
rado; T. H. Weight, Thompson-  
ville; C. J. Wagner, Eldorado.

These men have expressed their  
willingness to serve on the council  
and will take suggestions from  
neighbors and friends on problems  
to be studied and subjects which  
are believed important for con-  
sideration.

The College of Agriculture will  
assist this group and the Farm  
Adviser by furnishing specialists  
as speakers at meetings, informa-  
tion on research to carry on an  
outlined county program to help  
the people with work most vital  
to their success and welfare.

**DAILY BIBLE THOUGHT**  
God resisteth the proud, but  
giveth grace unto the humble.  
James 4:6.

Christ set the example of wash-  
ing his disciples' feet really a ser-  
vant's task, but Jesus was not  
above it. That was a totally new  
concept of the relationship between  
the master and his followers.

Had the colonial powers shown  
that spirit they would have cemen-  
ted their colonies with bands of  
steel. We have had to learn the  
hard way.

A University of Illinois veteri-  
narian suggests that farm animals'  
habit of exploring by tasting may  
cost you a valuable cow or sow if  
you don't keep grease, lead paint  
and fertilizers out of their reach.

Plan a "spring cleanup" all  
around your farm.

### Galatia High to Hold First Classes Friday

(Continued from Page One)

be required in some classes and will be sold to students at cost. Student insurance policies will be made available to all students and required of all athletes at a premium of \$1.25. Premiums will not be collected on the opening day.  
There have been some changes in the faculty for the coming year. Following is the list of teachers and their general subject areas: James Bond, agriculture; Lester Gill, science and assistant principal; Pat Lee, music and girls' physical education; Norma Lowry, homemaking; Earl Rapp, industrial arts and social studies; Jane Wickham, English; John Cherry, commerce and boys' physical education; Donna Williams, commerce; and Jack Large, principal and mathematics.

Many improvements have been made in building and grounds since school was dismissed for summer vacation. Interior decoration of the building has been completed and exterior trimming is underway. A walk has been constructed to permit visitors to walk from the road directly to the building without the necessity of walking around the drive. Several pieces of new equipment have been added in the cafeteria kitchen, making it one of the most modern kitchens in this area.

Progress is being made on the construction of an asphalt playing surface which may be used for tennis, basketball, volleyball, and many other games.  
New equipment has been added in several departments within the school, providing an opportunity for a better educational program for the boys and girls.  
School bus routes will remain exactly as they were last year until necessary adjustments are recognized.

### Texas Democrats Hold Runoff for Governor

DALLAS, Tex. (AP)—The Democratic voters of Texas will choose a governor today in a runoff election that will make clear how the state will vote in the presidential election two months from now.  
Their choice will be between U. S. Sen. Price Daniel, a conservative Democrat who bolted to support Texas Rep. Eisenhower in 1952 when Texas went Republican, a rare thing, and Ralph Yarborough, a lawyer, former assistant Texas attorney general and district judge.

### Equality Acts for Sufficient Water

(Continued from Page One)

works construction will be asked to purchase an additional \$65,000 water revenue bonds. The planned addition to the water system is estimated at \$78,000.

To get sufficient water for Equality, plans call for the drilling of a well on the property known as the Forest Nursery land, four miles east of Equality.

Philip DeVous, president of the Village Board, stated recently that tests showed 108 feet of gravel and sand water storage in this area and that water was found only 21 feet below the surface.

It is believed that 200 gallons of water per minute could be pumped from the proposed well, but not more than 100 gallons per minute would be pumped, except in emergency.

The \$76,000 estimate includes the complete job of adding to the water system—drilling, pumps and water line, Mr. DeVous declared.

### Fifty the Big Number At This Celebration

WICHITA, Kan. (AP)—The E. E. Lofflands who will celebrate their 50th wedding anniversary Sunday have 50 grandchildren and 50 great grandchildren.  
They also have 10 children, and a young cockatoo that whistles at girls in bright dresses.

### Continue Drive on City Licenses

Chief of Police Ross Lane today warned motorists that the police in Harrisburg are continuing their drive against those without city licenses.

When a ticket is issued for failure to purchase an automobile license a \$4 fine is added to the \$3 cost of the license, Lane stated.

### Pleads Guilty to Drunken Driving, Fined

Robert Patterson of Harrisburg, charged with drunken driving, entered a plea of guilty before Police Magistrate Vern Joyner this morning and was fined \$150.00.

Chief of Police Ross Lane stated Patterson was arrested Friday evening on Route 45 in east Harrisburg by City Patrolmen Pat Atkinson and John Dunn.

### Charge Driving While Intoxicated

George Lane, Harrisburg, was charged with driving while intoxicated in a complaint filed by State Patrolman Richard Percy in county court today. The arrest was made near Pankeyville about 7:45 p. m. Friday, Percy said.

### Wiltshire Rites Sunday

Services for Joseph Wayne Wiltshire who died Thursday evening at the home of his daughter, Mrs. Robert Patton, in Junction, will be Sunday at 2 p. m. at the Tisagah church in the Gibsonia community. Rev. Arthur Austin will conduct the funeral and interment will be in Leavell Hill cemetery. The body lies in state at the home of Mrs. Patton.

## Social and Personal Items

### Mr. and Mrs. Stanley Ward Fulkerson Honored With Post-Nuptial Shower

A post-nuptial shower in honor of Mr. and Mrs. Stanley Ward Fulkerson was held Thursday evening at the home of her uncle and aunt, Mr. and Mrs. John Schwartz.

The table, covered with a white cloth, was centered with an arrangement of briarcliff roses and blue salvia in a milk glass container topped with a miniature bride and groom. Blue bows edged the table cloth, the color scheme carrying out the favorite color of the bride.

The couple received many lovely and useful gifts to be used in their new home on South Herbert street. Games were played and prizes awarded to Mrs. Frank R. Patterson and Mrs. George Butler. The guest prize was given to Mrs. Harold B. Riegel.

Present for the evening were: Mr. and Mrs. Wiley Fulkerson, Mr. and Mrs. Louie R. Fulkerson, Mr. and Mrs. George Butler, Mr. and Mrs. Herman Schwartz, Mrs. Agnes Puzsik, Mrs. Ola Maszaros, Mrs. Margaret Kevisch, Mrs. Joe Horvath, Mrs. Andrew Hezley, Mrs. Joe Gall, Mrs. Louis Kato, Mrs. Alex Gall, Miss Juanita Joyner, Miss Norma Butler, Mrs. Bill Rhine, Mrs. Mary Lois Bynum, Mrs. Charles Betz Jr., Mrs. J. D. Vaughn, Mrs. Jim Roe Sullivan, Mrs. Jake Syers, Mrs. Will Sheeley, Mrs. Frank Patterson, Mrs. Harold B. Riegel, and Renitta, Mrs. Margaret Mitchell, Mrs. Link Rann, Mrs. Velda Shaw, Mrs. Minnie Syers, Mrs. Talbot Syers, Miss Dorothy Syers, Mrs. Charlie Betz, Sr., and Carroll Schwartz.

Gifts were received from several who could not attend. The employees of the A. and P. store where the bridegroom works presented the couple with a beautiful automatic toaster.

The bride is the former Letha Virginia Syers, daughter of Mr. and Mrs. Talbot Syers.

### Births

To Mr. and Mrs. C. M. Harding Jr., 633 Barnett, a girl named Pamela Louise, weighing seven pounds, four ounces, born Aug. 24 at the Harrisburg hospital. The mother is the former Ruby Louise McDaniel.

To Mr. and Mrs. Calvin Stone, Carrier Mill, a girl named Sharon Fay, weighing six pounds, 12 ounces, born Aug. 24 at the Harrisburg hospital. Mrs. Stone is the former Dorris Jean Griffith.  
Word has been received by Mr. and Mrs. Charles Kielhorn of Dorris Heights of the birth of a baby girl to their grandson and wife, Mr. and Mrs. Charles Roy (Bud) Kielhorn of 450 South Somerset, Indianapolis, Ind. The baby has been named Leah Beth.

**NOTICE OF LETTING**  
SEALED bids will be received up to and including Sept. 1, 1956, by Virgil Ferrell, 619-A South McKinley avenue, Harrisburg, Illinois, chairman of the county farm committee of the Saline County Board of Supervisors for redecoration of the interior of the County Farm building, also for tuck pointing, or patchwork on the brick. 50-

**In Memoriam**  
In loving memory of Carlos Hicks, who passed away four years ago, August 25, 1952: God must have loved him very much, And we have loved him, too. We know how many helpful things His kind hands found to do.

But till we reach that happy place, Where griefs are all consoled, We'll never know the joy he's found, Beyond the sunset's gold. Sadly missed by wife and daughter, Eunice and Judy. \*50-1

**In Memoriam**  
In loving memory of Mrs. Joseph McDole, who passed away one year ago today, Aug. 25, 1955: Her memory is as dear today As in the hour she passed away. Her smiling face and pleasant face Are a pleasure to recall; She had a kindly word for each And she died beloved by all. She knew how much we loved her And we love her yet, Though God took her from us, We cannot forget. Sadly missed by son, and daughter, James and Elizabeth McDole. 50-1

**In Memoriam**  
In loving memory of Gratton Price, who departed this life seven years ago August 24: It is loneliness here without you, And sad, and weary the way: Life has not been the same Since you went away. Sadly missed by wife and children. \*50-1

**In Memoriam**  
In memory of Allie Edward J., who passed away August 26, 1952: It seems like a dream, 4 years ago today An Angel of death, took our loved one away. Our home is broken, it's not the same. Weeping is vain, death has the claim.

Upon a beautiful hill side not far away, Lies our loved one, in a house of clay, Until Jesus comes to claim His own, Then we shall know as we are known. Sadly missed by his wife, children, mother, brothers, and sisters. 50-1

Have you looked at a church lately?

To almost everyone, the sight of a slender steeple raised to the sky evokes certain emotions—awe, perhaps, nostalgia, maybe—the sense that by not going to church lately, you've been missing something!

Next time you see a church, take a good look... and let yourself really feel what you see. If that makes you decide not only to look at the outside but also to go inside, that will be all to the good. For no matter how lovely a home you may live in, it can't compare with God's House. If you open the door, you'll find that, no matter how long you've been away, the welcome is warmer and more wonderful than you'll find anywhere else.

## THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## 'Strength Through Trials'

James 1:2-18

**GOLDEN TEXT:** "Blessed is the man that endureth temptation: for when he is tried, he shall receive the crown of life, which the Lord hath promised to them that love him." (James 1:12)

**INTRODUCTION:** Salvation is not by works, but by faith. James does not in any way intend to leave the impression that people are saved by good deeds. He is as consistent as all of the other New Testament writers on this subject. He is very clear in telling us that we are saved by faith in Christ, and that because of that faith we do good works in His name.

It is necessary that the Christian's faith be tempted to prove himself. The person who brags about never having taken a drink, nor stolen from another, nor committed adultery, may have nothing really about which to brag. It just could be that he has never been placed in a position where he was tempted to drink, steal, or commit adultery. If he were placed in such a position, he might turn out worse than the one he criticizes for having yielded to the same temptations.

**I BE GLAD FOR YOUR TESTINGS (V. 24)**

The Lord has permitted me to have a good automobile. I like it and have faith in it. Every part of my automobile has been tested by experts. Recently we took a 5300 mile trip in our car. We travelled over mountains, across deserts and over all kinds of roads. We were safe because our car had been tested before we ever purchased it.

Our sons are growing into strong, healthy young men. This has not happened overnight. It has come about by daily exercising of muscles and body building.

Just so with a Christian. He is not born full grown. He grows in grace and knowledge and patience by daily testing and spiritual exercise. The day will come when he will be better proven than my car and more full grown than our sons.

**II YOU CAN HAVE WISDOM (V. 5)**

Every person needs wisdom in dealing with his temptations. You see someone whose home, or life is being wrecked by temptation and sin. You say he, or she is "crazy" for acting thusly. What that person needs is wisdom that can come only from God. He promises to give that wisdom when He is called upon for it. You can save yourself many a headache and perhaps a lifetime of failure by heeding this verse.

**III DO NOT DOUBT GOD (V. 6-8)**

God is never to be doubted. If you waver in your faith you are like the "wave on the sea driven by the wind and tossed." If you doubt God when you pray, your prayers will go unanswered. God will not honor the prayer requests of a doubter. Why? Because "a double minded man is unstable in all his ways."

**IV LIFE IS SHORT (V. 9-11)**

Here life is compared to the flower that blooms and soon fades away. The grass grows, and the burning sun comes to cause it to wither and die.

Wealth makes no difference. The person of wealth is tempted to love his money too much. The poor person is tempted to magnify his poverty instead of the grace of God. The admonition here is to rich and poor alike. Life is short. God is great. Know and love Him!

**V TEMPTATION IS THE TEST (V. 12-15)**

God permits you to be tempted, but He never tempts you. God has nothing to do with evil. He will not look upon sin, nor will He permit it in His presence. He is holy. He lives in the holy of holies. God permits you to be tempted to test your strength. At the same time He always stands ready to show you a way out of your temptations. Why not call on Him the next time you are tempted?

**CONCLUSION: GOD CAN BE TRUSTED (V. 16-18)**

We change. God never does. He is the same "yesterday, today and forever." Yes, you can trust God. "Every good gift, and every perfect gift comes down from God the Father." He may permit you to be tempted, but if you will follow His will, you will gain strength through your trials.

Last Sunday the largest crowd of the season was present, with fourteen soapbox cars and drivers participating in the program and many adults lined the street to watch the racing.  
There was added excitement when two of the cars collided and were wrecked.  
Jimmy Smith and Mac Mitchell were co-champs of last Sunday's program.  
The big championship and final program of the season is listed for Sunday, Sept. 2. The winner that day will receive the Harrisburg Lions club championship trophy.

**Brown Takes Smith's Title on Split Decision**  
**New Champ Fractures Small Wrist Bone But See Rematch**  
NEW ORLEANS (AP)—Promoters J. T. Owen and Bonnie Geigerman started negotiations today for a return lightweight title fight in October between newly-crowned champion Joey Brown and Wallace (Bud) Smith at the auditorium here.  
Brown of New Orleans and Smith of Cincinnati drew 7,201 fans and \$43,900 for Friday night's television-radio 15-rounder in which lanky Joey won the 135-pound crown on a split decision after flooring Bud twice.  
Joey, registering his seventh straight victory, proved that his non-title decision over Smith at Houston, Tex., May 2 was no fluke.  
Co-promoter Geigerman said today, "the return bout in October would draw more than Friday night's scrap because of the controversy over the decision."  
Brown, 30 years old and weighing 133 pounds, was willing to give the 134 1/2 pound Bud a return shot at the title in October if his right hand is ready by then, although no return bout contract was specifically written into the agreement.  
The new champion had x-rays at Touro Infirmary today to see whether the hand was fractured. He said he hurt it in the second round.  
At the hospital, Dr. L. T. Taylor said x-rays disclosed a fracture of a small bone near the wrist in the right hand and that it apparently would keep the champion out of action for about six weeks.

**Spahn, Winner Last Night, May Cop 20 Wins This Year; Only Two Off 200**  
By FRED DOWN  
United Press Sports Writer  
Warren Spahn said early in the season he'd "settle for nothing less than 20 victories" and it looks today like the Milwaukee Braves' 35-year old left-hander may prove as good as his word.  
Spahn, who bogged down in mid-season after a fast start, scored his fifth straight win and his 15th of the year Friday night when the Braves retained their two-game National League lead with a 6-1 win over the Philadelphia Phillies. It was a "clutch win" because the second-place Brooklyn Dodgers kept the pressure on with a 6-4 decision over the Cincinnati Redlegs.  
Spahn now needs only two more victories to reach the 200-mark for his career and five more would make him the first southpaw in National League history to win 20 games in seven different seasons.  
Joe Adcock walloped his 32nd homer, a double and a single and Ed Mathews hit his 30th homer as the Braves handed Robin Roberts his 15th loss of the year.  
**Seventh for Maglie**  
Duke Snider knocked in four runs with his 34th homer and a double and Carl Furillo hit a two-run homer as Sal Maglie won his seventh game for the Dodgers. Maglie hung on until the seventh to gain the nod over Larry Jansen, his roommate and co-pitching hero in the New York Giants' 1951 miracle pennant victory. Two-run homers by Gus Bell and Wally Post produced Cincinnati's runs.  
Murry Dickson pitched a six-hitter for his 11th win as the St. Louis Cardinals beat the Pittsburgh Pirates, 6-2. Hank Sauer and Ray Katt had two hits each for the Cardinals, who handed the Pirates their seventh straight defeat.  
Willie Mays doubled home Don Mueller in the 11th inning to give the New York Giants a 5-4 victory over the Chicago Cubs and move them to within a half game of seventh place. Mueller had four hits to lead the Giants' attack while Gene Baker collected three hits for the Cubs.  
The New York Yankees retained their eight-game American League lead when they defeated the Chicago White Sox, 2-0, behind Johnny Kucks' four-hitter. Gil McDougald homered in the sixth inning for the Yankees' first run and Mickey Mantle doubled home their second run in the eighth. It was the 17th win of the season for Kucks. Jack Harshman lost his ninth decision.  
**Wertz Returns to Homer**  
Vic Wertz, back in the lineup after a 10-day absence, hit a two-run homer in the fifth inning to give the Cleveland Indians a 5-3 win over the Boston Red Sox. George Strickland hit a three-run homer for the Indians as Mike Garcia gained his first win of the year over a first division team. Tom Brewer, a 16-game winner, suffered his seventh defeat.  
Bobby Shantz won his second game of the year and his first since April 19 when the Kansas City Athletics whipped the Washington Senators, 8-4. Lou Skizas hit a pair of two-run homers and Harry Simpson also homered for the Athletics, who snapped Pedro Ramos' eight-game winning streak.  
Billy Hoelt won his 15th game as the Detroit Tigers beat the Baltimore Orioles, 4-1, with three ninth-inning runs. Bill Tuttle's ninth-inning homer broke up a 1-1 duel between Hoelt and Connie Johnson.  
**Babe Zaharias Has Lost Much Weight After Operation**  
GALVESTON, Tex. (AP)—Cancer and a recent operation have caused a great loss of weight and strength in Babe Zaharias, but her doctor said today she continues to show "great fight."  
In an official bulletin issued at John Sealy Hospital, where the Babe has been off-and-on since April of 1953, her physician said: "In view of the underlying malignancy, a development of a few weeks ago, and the necessity for additional surgery to relieve it, all has resulted in great loss of weight and strength."  
"However, Mrs. Zaharias remains free of pain, bright and cheerful."  
The bulletin did not go quite as far as the famous Babe's husband, George, did in a telephone interview with the Tampa, Fla., Daily Times. He was quoted as saying that she had had "too many strikes against her."

**Sugar Creeks And Pickford Clinch Titles**  
By DAVID NELSON  
Sugar Creek and Pickford clinched the Kitty and Three-I league titles respectively as Sugar Creek beat Pankey's 13-8 and Pickford's won on a forfeit from Crab Orchard 9-0. Jackson's beat Gibbons 5-4 in the other Kiwanis game Friday.  
Sugar Creek tallied six runs in a big fourth inning to give them the victory over Pankey's and the Kitty league championship.  
Karnes was the winning pitcher, giving up eight runs on nine hits and four bases on balls. For the winners at the plate Cushtiss had a homer and a double, Muge and Banks had two singles and Craver, Wiley and Karnes hit safely once.  
The losers attack featured three singles by Trammel and Wunderlich, Potter, Hill, Stinson, Steinborn and Gibbons each had one blow. Gibbons was the losing pitcher.  
A late rally gave Jackson's a 5-4 victory over Gibbons. To gain the win Jackson's scored two in the seventh inning and counted the winning tally in the eighth.  
Craver paced the winners at bat with two singles. For Gibbons, Griffith had a homer and two singles, Barrett a double and single and Leghorn, Rauh, Gibbons and Darrar each had a single.  
Monday's Schedule:  
3:30 — Pirates vs. Raleigh (1st game of 2 best of 3 series to determine Pony league championship).  
5:30—Ridgway vs. Sugar Creek.  
7:30—Three-I League All Star Game. Stars vs. Stripes (Benefit game for Joe Carnett).
